

## **Bookstore Advisory Committee - April 14, 2025 Meeting Minutes**

### **Staff Attendees**

Chris Leach

Todd Larsen

Joellen Peterson

### **Faculty Attendees**

Isaac Coppock

Morgan baker

- A. Apple Appreciation Sale coming up April 21 - 25, total of 18% off
- B. Spring Commencement grad fair recently took place on campus - much better turn out on campus than last year's event in town. Need to order now for grad regalia and faculty regalia.
- C. Immediate Access Spring success - 143 students participated and saved from \$90 to \$170 dollars each in the program that, if faculty opts in, get the materials all ready on day one and automatically ordered with class registration and charged to the student's account
- D. Apple tech is on campus at the Campus Store two times a week
- E. Student art exhibit is up on campus at the Campus Store
- F. The new digital reader, Kortext, replaces Red Shelf and will be live in June. It's an improved software that allows you to make and share flashcards, is mobile friendly and syllabi can be added. Will be great for SDRC.
- G. Campus entities can order logo'd wear from the Campus Store. EOP, Social Work, FM are just a few examples of departments that have designed and ordered clothing/hats for their teams. Place Based Learning Communities may be interested, too.
- H. Sports/teams items available to order online.
- I. Suggestion to stock more baby/kids items, tie dye onesies.
